Innovations. THAT INSPIRE

Success is no coincidence – it's the result of hard work and clear goals. That's why, in 2025, GEFU once again brings a wealth of exciting news. Our product range across 11 culinary categories has been expanded and enriched, with our successful collections featuring stunning new kitchen tools designed to make the art of cooking even more enjoyable.

A standout highlight is our premium wooden collection, now complemented by the new MADERO kitchen tool series, an elegant salad server set, exquisite breakfast boards, a sleek knife block, and much more. At the same time, we've expanded our tea assortment, introducing the KIPPO series – a clever solution for smart storage.

As one of the "Brands of the Century," GEFU also provides everything you need for successful sales and ringing registers: powerful point-of-sale concepts, exciting promotions, campaigns, posters, flyers, and full access to the GEFU Digital Toolbox, packed with engaging content for your social media activities.

On the following pages, you'll find fresh ideas and innovations that will inspire you and delight your customers. Let's make the most of 2025 together!

5th YEAR WARRANTY

Food storage container KIPPO

KIPPO is the perfect choice for anyone who wants to store their food in a stylish and functional way and enjoys well-organised kitchen shelves. The integrated tilt function in the lid enables easy and direct dosing and pouring. No more spilt food or the hassle of unscrewing the lid - a simple hand movement is all it takes to precisely and cleanly portion sugar, flour, muesli or pasta. Thanks to the silicone seal in the clever lid, the contents of the jar stay fresh and flavour-tight for longer. The high-quality borosilicate glass jar allows you to keep an eye on the contents at all times.

- stainless steel lid with integrated pouring opening
- clean pouring and easy dosing thanks to tilt function
- Screw-on lid can be easily removed for filling and cleaning
- airtight lid thanks to silicone seal
- can be individually combined
- jar made from high-quality and robust borosilicate glass

- Ø 14.8 cm, H 23.6 cm
- borosilicate glass / high-grade stainless steel / plastic / silicone

NEW **33732** Vinegar-oil dispenser KIPPO

As soon as KIPPO is picked up, the clever rocker lid opens and the contents can be portioned in a controlled manner. The drip-free pouring spout guarantees clean and precise dosing when refining crunchy salads or frying crispy delicacies. KIPPO always ensures that the perfect amount of the desired liquid is poured out - practical and stylish for the kitchen and at the table.

- precise and even dosing of vinegar and oil
- practical rocker lid: opens and closes automatically and protects the contents from external influences
- filling volume: 400 ml / 14,1 fl.oz
- made from high-quality and robust borosilicate glass
- Ø 6.5 cm, H 20 cm
- borosilicate glass / high-grade stainless steel / plastic / silicone

NEW **33733** Spice carousel KIPPO
7 pieces

Not only does the stylish KIPPO spice carousel offer a practical solution, it is also an elegant and clearly arranged solution for storing and effortlessly using your favourite spices in the kitchen. With its six spice and herb shakers, the rotating carousel offers space for a full range of flavours and ensures that the right spice is always to hand. With the clever hinged lid openings, your favourite herbs and spices can always be precisely dosed, whether it's a hint of fresh basil or a strong pinch of paprika. The airtight lid ensures that the full flavour and quality of the fragrant spices is preserved.

- 6 spice and herb shaker in one carousel
- clearly arranged and elegant storage of your favourite spices
- ideal for dosing herbs and spices of any grain size
- fine dusting or pouring opening can be selected as desired thanks to integrated lid opening
- easy to fill thanks to removable screw lid
- lockable lid for optimum flavour and moisture protection

- borosilicate glass / synthetic resin

NEW

12855 Tea filter T-STICK

This slim tea filter makes brewing flavoured tea a pleasure. The practical slide-up sieve allows your favourite tea leaves to be filled with ease. The curved end ensures that the T-STICK stays securely in place - no more slipping in the cup! This allows the full flavour of the tea to unfold through the fine sieve and every sip becomes a real moment of pleasure.

- ideal for preparing loose tea
- easy to open thanks to the slide-up sieve
- slim cylindrical shape with hanging option fits into any cup
- finest perforation for perfect flavour and clear tea
- also suitable for herbs and spices
- L 15 cm, W 4.1 cm, H 1.4 cm
- high-grade stainless steel

NEW

12865 Tea filter T-BALL

The nifty T-BALL tea strainer makes brewing loose tea a breeze. The practical opening mechanism allows the open strainer to be used like a measuring spoon and the loose tea is easily sealed in the ball. The ball's fine perforation ensures that every cup is finely filtered and allows the full flavour of the tea to be enjoyed.

- ideal for preparing loose tea
- easy-open ball thanks to sliding handle
- opened ball serves as a measuring spoon
- finest perforation for perfect flavour and clear tea
- also suitable for herbs and spices
- L 17.2 cm, W 5 cm
- high-grade stainless steel / plastic

14764 Breadcrumb coating set PANDO 3 pieces

Breadcrumb coating made easy! PANDO, with its three generous stainless steel bowls, provides invaluable support for giving schnitzel, fish or vegetables a golden breadcrumb coating. For clean and efficient work with flour, egg and breadcrumbs, the bowls can be combined with one another without gaps as required, thanks to the folded edge. Marinating piquant meat or crunchy vegetables as well as practical portioning is also a joy with PANDO.

- suitable for breadcrumb coatings, marinating and portioning
- seamlessly and flexibly combine the bowls with one another by hooking them in
- fast and clean work
- space-saving: interlocking storage
- L 22 cm, W 15.5 cm, H 3 cm
- high-grade stainless steel

Baking tray with cooling grid VARIADO

Whether in combination or individually, VARIADO is the perfect companion for everyday kitchen life. The practical baking tray with removable grid made of high-grade stainless steel offers countless possible uses. Whether for baking and then cooling of fragrant pastries, for cooking and immediate resting of juicy meat or for creatively decorating sweet treats - this baking tray offers everything in one.

- sturdy and robust stainless steel baking tray
- removable grid
- efficient and quick cooling and draining thanks to even grid structure
- versatile use: baking, cooling, draining, adding and preparing
- heat-resistant up to 250°C
- high-grade stainless steel

NEW **89670 Rolling grill basket BBQ**

Simply place the sliced vegetables, seafood, potatoes etc. in the BBQ rolling grill basket and place it onto the barbecue. Nothing falls between the grate and everything is cooked evenly.

- safe barbecuing and turning of cut vegetables, meat and prawns on the griddle.
- fine, sturdy wire mesh for optimum heat circulation
- optimally suitable for all types of grill
- with additional hook for easy transport
- CAUTION: the basket is very hot after use!
- Ø 9,2 cm, L 30 cm
- high-grade stainless steel

NEW **89579 Spatula BBQ XS**

The compact spatula is the perfect companion for anyone who is passionate about getting creative on the barbecue and plancha. Its handy, slimmer shape enables precise and effortless turning, even with smaller food items. Whether tender fish fillets, fine vegetables or colourful seafood - it lifts the food gently on the smooth plancha surface and turns it evenly.

- ideal for turning vegetables, meat or seafood
- perfect for cooking on a plancha or hotplate
- handy and manoeuvrable shape
- bevelled edge: glides effortlessly under the cooking food and makes it easier to divide
- easy handling thanks to the offset shape and ergonomic handle
- L 24,5 cm, W 10,3 cm, H 5,8 cm
- high-grade stainless steel / plastic

NEW **12815 Closure clips PERTO**
4 pieces

The strong spring and non-slip handle of these little kitchen aids ensure that everything remains firmly and securely closed. Whether crisp bags, coffee bags or spice packets - these clips ensure that everything stays fresh and no flavours are lost. Thanks to the integrated magnet on the back, they stick effortlessly to the fridge or any other metallic surface. This means that notes, shopping lists or recipes are always to hand and clearly visible. The ergonomically designed clips are comfortable to hold and are easy to open and close.

- perfect for sealing opened food packaging
- quickly and easily tidy up the kitchen
- strong spring for firm and tight sealing
- integrated magnet holds clips on metallic surfaces
- L 7.4 cm, W 4 cm, H 3 cm
- plastic / refined surface / aluminium / iron

NEW **12478 Ring pull can opener PULLTO**

With PULLTO, all cans with a ring pull can be opened effortlessly in a single motion. Its clever J-shape and the practical lever principle ensure effortless operation even with tightly closed cans. Slide the hook under the pull ring, pull the opener back to reach the delicious contents. The non-slip handle ensures a secure grip and absolute control.

- enables effortless opening for all cans with ring pull
- practical lever principle thanks to ergonomic J-shape
- non-slip handle ensures secure grip
- hook lifts and grips the ring pull without any manual intervention
- L 15,5 cm, W 9 cm, H 1 cm
- plastic

NEW **29265 Washing-up liquid brush with drainer SWIFT**

It actually makes washing up fun! The firm nylon brush cleans dirty pots and dishes with particular power and care and the detergent in the integrated dispenser can be dispensed at the touch of a button until everything gleams and shines with cleanliness. Thanks to the draining rack, the brush can dry properly while the worktop always remains clean and tidy.

- transparent detergent container (contents: 50 ml / 1,8 fl.oz), easy to fill thanks to the screw closure
- hygienic, sturdy nylon brush
- incl. draining rack for clean and hygienic storage
- ergonomic
- Ø 8 cm, H 12 cm
- plastic / high-grade stainless steel

NEW

89578 Salt or pepper mill LAMOLA **2 pieces**

MUST HAVE
Limited Edition

5
JAHRE YEARS
GARANTIE
GUARANTEE

With these mills, you have everything under control when seasoning, from the fill level to the fully adjustable flow setting. The clever part: you can easily and safely grind the spices into the removable aroma-seal cap instead of straight into the steamy pot, measuring out the perfect amount of salt or pepper and stopping it from sticking to the grinder.

- fully adjustable, high-quality ceramic grinder
- easy-refill spice chamber
- aroma-seal cap
- Ø 5,5 cm, H 16,6 cm
- glass / high-grade stainless steel / ceramic grinder / plastic

without accessories
